Experience

UI/UX Designer, DALI Lab   *Dec 2023 - Present*

- Designing a highly intuitive prototype for the makers with limited languages
- Creating an interface for motorcycle owners that matches company brand

Full Stack Developer, DALI Lab   *Oct 2022 - June 2023*

- Collaborated with a team of 6 other full stack designers, computer science professor, and mentors to create an original project over the course of 2 school terms

UI/UX Design Intern, Google Code Next   *June 2021 - Aug 2021*

- Worked with a mentor to enhance my user interface skills and create my first website
- Participated in various workshops to develop human-centric design skills, gaining experience in UI/UX design

Projects

Dartpop, DALI Lab   *Oct 2022 - June 2023*

- Co-created a thrifting app for Dartmouth students to list and buy clothes from each other
- Coded in Firebase with React Native a prototype

Catharsis, UI/UX Capstone Project   *Mar 2023 - June 2023*

- Co-designed an app that encourages meaningful conversations and fosters healthy communication skills

Leadership

UI/UX TA, Dartmouth COSC Department   *Sept 2023 - Nov 2023*

- Provided students with extensive assistance by holding office hours and troubleshooting their issues with projects
- Graded assignments with constructive criticism
